**ICANN|69**
**VIRTUAL ANNUAL GENERAL**
Community Days, 13-15 October 2020
Plenary Week, 19-22 October 2020

**Dear EURALO and At-Large members**,
The Corporation for assigned names and numbers held the 3rd virtual conference in October 2020 and made this month busier for the community, more significant and valuable.

We still remember how it may be when we meet face to face, but we would like to focus on the high level of the organization this virtual meeting and would like to thank to everyone who took the time and opportunity to participate, as well as to everyone who made this ICANN69 interesting, useful, successful and accessible to participants from all over the world!

To come back to the most important for missed topics we kindly suggest you to visit https://69.schedule.icann.org/

## ICANN69 At-Large EURALO news

**We thank Joanna Kulezsa, ALAC member,
for the organization of the At-Large Policy Session:**

**"[Beyond Budapest: The UN Cybercrime Treaty and DNS Abuse](#)"**
This session looked into the progress and perspectives of the proposed UN cybercrime treaty and explores how it might impact ICANN's mission and trying answers to these questions: How does DNS Abuse fit in with existing cybercrime frameworks, both: national and international? Can cybercrime laws be useful for fighting DNS Abuse? What are the opportunities for having the ICANN voice heard in international cybercrime discussions? Do we have opportunities for enhanced ICANN community input into this and similar processes that directly impact the effectiveness of our DNS Abuse mechanisms?

**Matthias Hudobnik**, ALAC EURALO
**Alexander Seger**, Head of the Cybercrime Division and Executive Secretary of the Cybercrime Convention Committee in Strasbourg, Council of Europe
